Ormonde Mining plc
("Ormonde" or "the Company")

Barruecopardo and Tungsten Presentations on Company Website

The Board of Ormonde announces that the Company presentation on its Barruecopardo Tungsten Project in Spain given at the recent International Tungsten Industry Association ("ITIA") Conference in Vienna has been uploaded to the Company Website www.ormondemining.com. In addition, a short presentation covering aspects of the Tungsten Industry is also available on the website.

Both presentations can be found in the Presentation section of the Investors Centre on our site: www.ormondemining.com/en/investors/presentations
